
SEA CREST BEACH HOTEL

The Sea Crest Beach Hotel is located in North Falmouth, MA, at Old Silver Beach, on a gorgeous stretch of oceanfront. With everything from conference facilities to ocean view banquet rooms to lodging in the same central location, this venue can easily accommodate our Scientific Retreat sessions, meals (some served oceanside if the weather permits), and recreational activities.

Lodging and Amenities:

Most of Sea Crest's accommodations are hotel style, beach-themed, double occupancy rooms, located either in the main building (shown above), or in other housing locations around the resort campus. All are within easy walking distance of conference, dining, and recreation areas.

Each room comes with complimentary self-parking and access to all Sea Crest recreation areas, which includes private beachfront, indoor and outdoor saline swimming pools, a sand court for volleyball, seasonal watersports, arcade, and the fitness center (with Peloton bike equipment).

Check-In/Check-Out

Check-in time is after 4:00pm; check-out time is 11:00am.
